

5<sup>TH</sup> AIEE ENERGY SYMPOSIUM  
**Current and Future Challenges to Energy Security**  
virtual conference

### Sponsorship benefits

1. Possibility to have a speaker in a plenary session of the conference where government representatives and important personalities will be invited to take part.
2. To set up a one to one interview with the company representative, which will be published on YouTube and the AIEE newsletter.
3. The company will be mentioned in all the publications related to the Conference as official sponsor (advertised on the various sites and magazines, program, newsletter, volume of documents)
4. To have the logo on the Conference website in the homepage and in the "sponsor" page with a link to your company website starting with the date the contribution is confirmed
5. To have complimentary registrations
6. It will be possible to be exclusive sponsors of a plenary session.

*The company logo will be included in the program and on the website, near the sponsored session, with a link to the presentation (video or pdf brochure) of the company. At the beginning of the sponsored session AIEE will thank the sponsor and will be run a 5 minute video /presentation of the company*

7. It will be possible to be exclusive sponsors of a parallel session

*The company logo will be inserted in the program and on the website, near the sponsored parallel session, with a link to the presentation (video/ pdf brochure) of the company.*

8. The possibility to schedule meetings (through video conference calls) with the plenary or parallel sessions speakers for further information on the topics presented during and after the conference
9. Organize a short webinar (30 min/1h) with 1-2 speakers proposed by the sponsor, after the closure of the conference works to be recorded, published on the conference website and sent to the participants, contacts and advertised on the social networks.

**Opzioni diverse possono essere concordate secondo specifiche esigenze dello sponsor.**

**Importo da concordare con l'organizzazione secondo le opzioni prescelte.**
